

CNY PCA 2010 WINTER TECH SESSION

Mitch VanNordstrand is again this year opening his garage to CNY members so we can learn a thing or two about Porsches. Rick Dobush, owner and operator of **R & D Automotive** (otherwise known as "The Bavarian Rocket Scientists"), will make a presentation and demonstration on transmissions (see below). Mitch has a large, heated work shop complete with a lift, wash bay and paint booth, so there will be plenty of room to gather around the Porsches and watch and learn the process up close.

Beth and Mitch will provide a Dinosaur Bar & Grill BBQ lunch for our enjoyment **in return for a cash donation to be made to their local Food Bank**. Come join us for what promises to be a very informative and fun day!! Mitch always has some great cars in his garage for us to look at.
