

## **BEAUTIFUL AUTOMOBILES, BREW and “PIGGY” BBQ**

What’s not to love?!?! That is what Mark Schultz has in store for CNY PCA members on May 22. We will start the day off with a caravan from Syracuse to Utica where we will tour the F. X. Matt Brewery.

This is one of the few remaining American regional breweries left in America. Leaving a promising career at the Duke of Baden Brewery in the Black Forest Region of Germany, F. X. Matt traveled to America in 1885 with the dream of owning his own brewery. The F. X. Matt Brewery was founded in 1888 and is still run today by 3<sup>rd</sup> and 4<sup>th</sup> generations of the Matt family.

CNY members will be treated to a tour of the brewery including sampling of beer, root beer or soda. Of course, we will leave time to check out the sales area and the gift shop.

Then we will be on our way to visit the fantastic, private Rosenblum Collection. Started by Alan Rosenblum several years ago for his personal pleasure and passion, this collection now includes 80 – 100 pristine, prestigious automobiles. Not open to the public and available by invitation only, this collection promises to “knock your socks off”!! We are limited to 76 CNY members. This event promises to amaze and please each and every one of us!!

After we drool over (but not on) Alan’s cars, Mark will lead us to lunch at a favorite, local establishment, “Piggy” Pat’s BBQ. Guaranteed to please everyone’s preference, from slow-smoked, southern BBQ pork to vegetarian selections, we will end the day on a fun, relaxed note.

Plan to join us for this extraordinary opportunity!
